XM XTRA MILES SUPERIOR MINERAL

SAE20W-50(API CF-4/SG)

XM XTRA MILES SAE 20W-50 high quality superior mineral based engine oil with added special additives that is suitable for all diesel & gasoline engine vehicles, including the latest models as well as the older ones. Protects the engine against corrosion with superior cleaning properties and offers high thermal stability. Extends oil drain intervals for increased value. Meets and exceeds API CF-4/SG standards. It features x'traseal exclusive "Low-SAPS" additive technology and a unique anti-wear system.

BENEFITS

- Maximizes efficiency and value for both the latest and older models of diesel & gasoline engines.
- Maintains short and long term engine performance.
- Reduces engine deposits to help maximize engine response.
- Delivers excellent protection across a variety of engine speeds, conditions and temperatures.
- Sustains excellent performance even after extended periods of use.

TYPICAL PROPERTIES

FULLY SYNTHETIC MOTOR OIL

Characteristic	Unit	ASTM Method	RESULT
Colour	-	D1500	<2.0
Density @ 15°C	kg/l	D4052	0.873
Kinematic Viscosity @ 100°C	cSt	D445	17.7
Kinematic Viscosity @ 40°C	cSt	D445	141.8
Viscosity Index	-	D2270	137.9
Flash Point COC, °C	°C	D92	>220
Pour Point	°C	D97	-30

Caution: Do not fill container with fuel /solvent- static could cause fire. Avoid prolong and repeat skin contact with the used oils. Protect the environment by disposing of used oil properly.
