

## TECHNICAL DATA SHEET

REV: 00 DATE: 4 OCTOBER 2016

---

### LONG LIFE

#### 100% CONCENTRATE COOLANT (RED)

**LONG LIFE 100% CONCENTRATE COOLANT (RED)** is specially formulating for all kind of engine radiators. It provides maximum cooling system protection in extreme temperature climate and operating conditions. It is a superior quality coolant that offers quick and effective heat transfer inside radiator and cylinder heads including aluminium engine block.

#### BENEFITS

- Compatible with any antifreeze/ coolant for use in all makes and models of cars and trucks.
- Protects water pump, engine block and intake manifold against rust and corrosion.
- It is a durable 100% concentrate form and generally a 30% water dilution is recommended.

#### Directions for Use

- Do not remove radiator cap when engine is hot.
- Antifreeze/coolant (new or used) is hazardous. Clean up and dispose of properly following local regulations.
- Check and maintain coolant level at every oil-change interval.
- Check owner's manual for additional maintenance and top-off guidelines.

**Caution:** Do not fill container with fuel /solvent- static could cause fire. Avoid prolong and repeat skin contact with the used oils. Protect the environment by disposing of used oil properly.
